There is road Construction to Clare Avenue Entrance in Harrison (Detour Map on next page.)

Beginning **May 22nd** MMCC's front entrance in Harrison will be closed due to road construction on S. Clare Ave. The construction will extend north from MMCC's campus, and it will last throughout the summer.

Please use the entrance off of Mannsiding Road to access campus. Visitors from the north should take M127 south to the Mannsiding Road exit (Exit 168).

The front entrance closure also impedes CCTC's ability to pick up and drop off at the campus front doors. Bus riders will still have access to these services from MMCC's east parking lot, outside of the nursing wing.

The attached map below indicates the closure and recommended detour.
